What is NMA IT AI Assistance Setup?

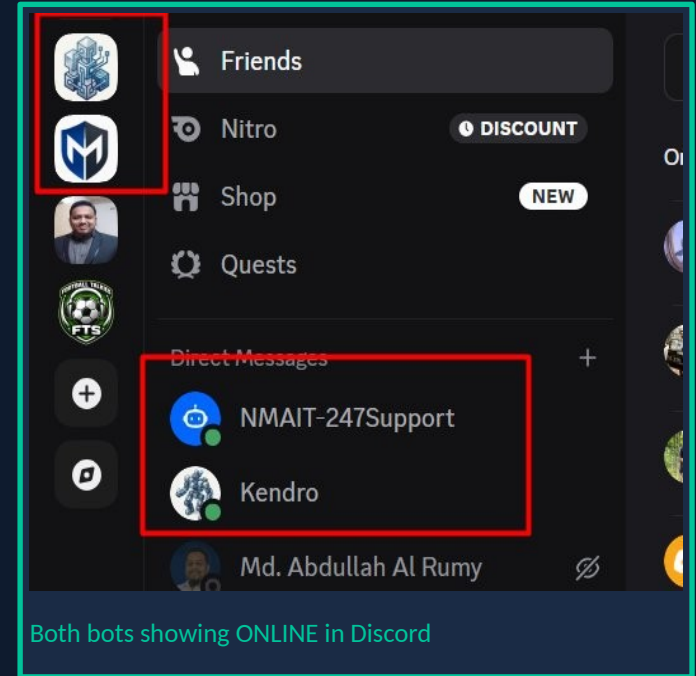

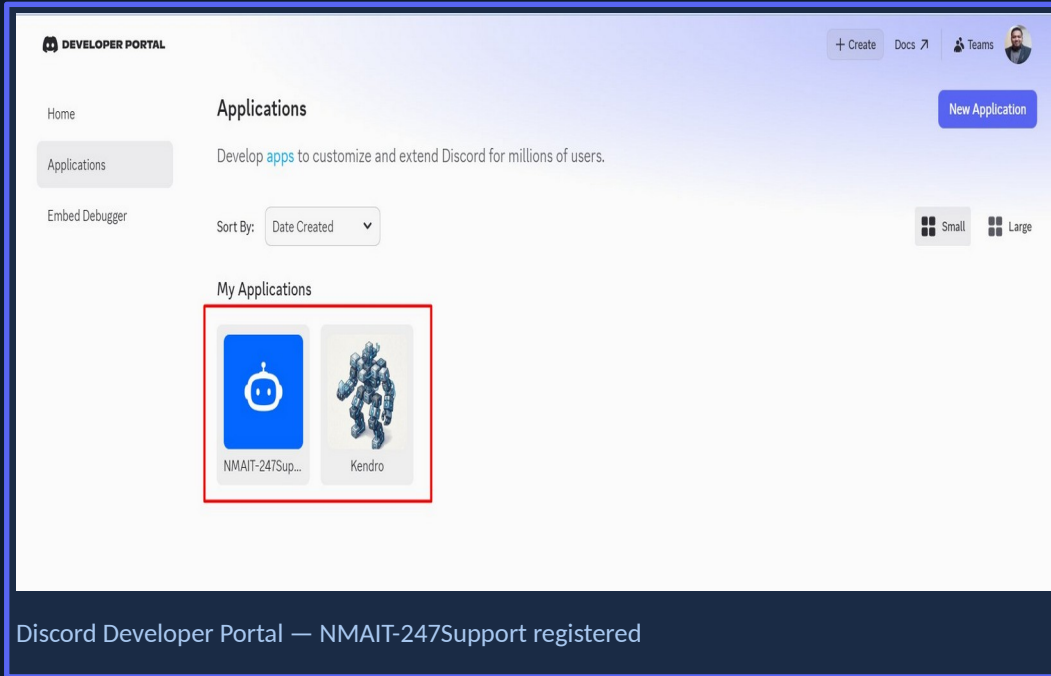

A fully deployed, production-ready AI support system running RIGHT NOW — built on OpenClaw and delivered through Discord, powered by multiple AI models.

- OpenClaw platform hosts and orchestrates the AI
- Discord bots (NMAIT-247Support + Kendro) are live
- 3 AI APIs integrated: DeepSeek, Gemini, OpenAI
- Real usage: 423 requests, 28M+ tokens processed

Discord Bots — Live & Verified

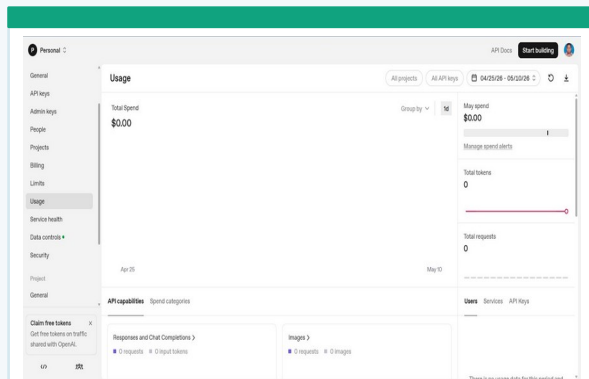

Two active Discord bots deployed under the NMA IT ecosystem

NMAIT-247Support
Primary 24/7 AI assistant bot

Kendro
Secondary AI support bot
